BUYING A NEW SUIT

IS generally a happy culmination of hope deferred--provided the suit lives up to your expectations after you get it. Certainly, if you think clothes are just "clothes" and not much difference in any of them you can buy them anywhere. But, if you want all-wool fabrics, best hand tailoring, correct "city" styles, wide range of sizes and a suit that is certain to fit and hang properly and always hold its shape--you will do well to wear

Kirschbaum Clothes

Look for the Kirschbaum Label, and you'll be certain of the best value for price that money can buy. We guarantee these goods. Should you find imperfection in the cloth or tailoring of a "Kirschbaum hand-made" garment, return the same and money will be refunded.
